

# Joining Our Online Class

- 1** Click the link (found on the invite or Council Calendar)  
(or **COPY** the link and **PASTE** it into the address bar at the top of your web browser window)

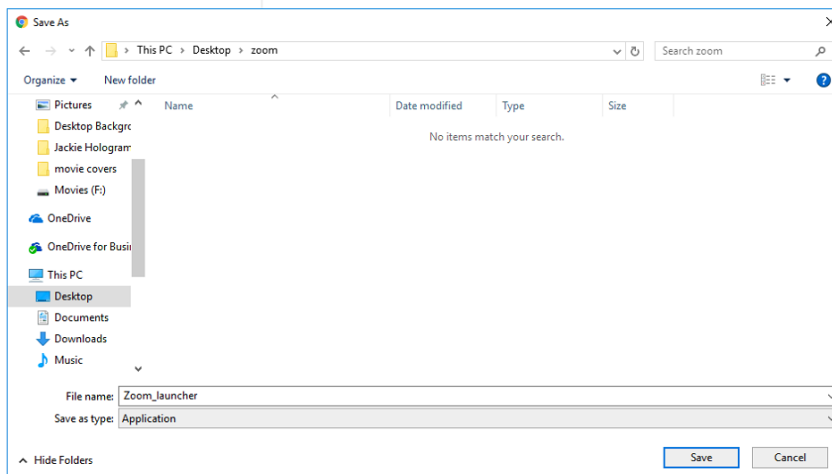

You will see something like you see below if this is your first time with Zoom!

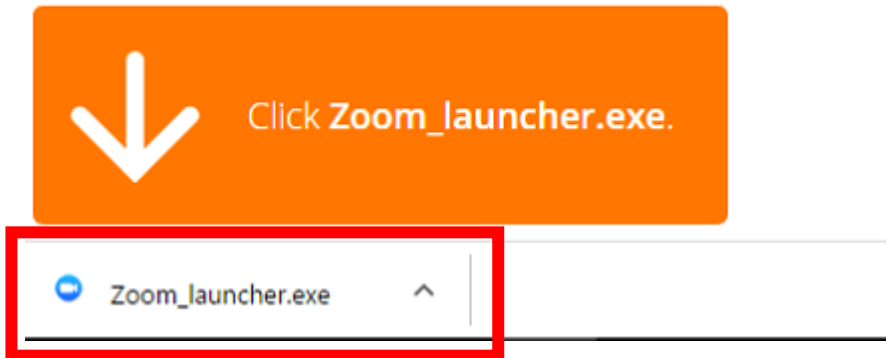

You will then be asked to **SAVE (or Run)** the Zoom launcher

- 2** Save (or Run) the Zoom Launcher Install File.  
(you could save this to your desktop and delete after it is installed)

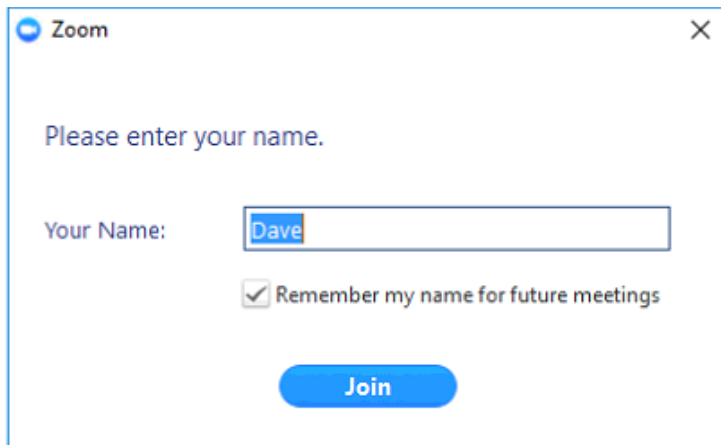

zoom

**3** At the Bottom of your screen, click to install the Zoom Launcher

**4** After the Launcher installs, You will be prompted to enter your name. then click Join!

**5** You can choose to test your Computer Mic and Speakers, as seen below...  
After that, Click the Green Box that says "Join Audio Conference by Computer."
